# iTunes + iPods

# Value Proposition

iPod.

1,000 songs in your pocket.

# Value Proposition

## Your entertainment. Everywhere.

With iTunes in the Cloud, the music, apps, and books you purchase automatically appear on all your devices. Or you can download only the stuff you want — including movies and TV shows — to just the devices you want.<sup>1</sup> It's all part of iCloud and iTunes 10.6.

**iTunes 10.6**  
For Mac + PC

Free Download 

**iTunes 10.6**

With iCloud, everything you've bought on iTunes  
is now on every device you love.
